Hi Renee,

Can we schedule for next week's CARE+ day? SGT. Pounds has assigned Bustamante and the quality of life unit to help us with this cleanup. Does next Wednesday work for you?

Hi Albi,

What do you mean by Special clean up? I can schedule this location for any day on your CARE schedule and even on a CARE+ day but as a reminder LASAN is treating everything as spot cleanings at this time and only removing contaminated bulky items and we can only address the public right of way unless this RV is leaking.

**Much Appreciated,**

Hello Everyone,

I hope you are well and healthy in these trying times. Renee and I have been dealing with this encampment and now it has become more challenging to address due to the COVID-19 changes in enforcement. However, I have heard from multiple sources that there is criminal activity (drug abuse and drug dealing) from this location. I have monitored the encampment and it does seem very unsafe.

Renee, can we do a special cleanup for this location and share the date with us?

Sgt Pounds, could you have officers joining that cleanup? Also, can 77th do an operation to assess and enforce the alleged drug abuse and dealing?

Thank you!

Re: Fw: We need your help

Good afternoon,

I'm writing from the office of Raysack Holding, LLC, the owner of the property located at 1000 W 70th St 90044. Our tenant at this property (CC'd in this email) informed us there is a serious transient issue directly in front of his business, on the west side of Vermont Ave. A few months ago the RV you see in the attached pictures parked there and things have gotten out of control since then. Our tenant has reason to believe there is some type of illegal activity going on since there are lines of people waiting outside the RV at different times of the day.

Not only that, but the large amounts of trash are unsightly and a public health concern. We would really appreciate your assistance in addressing this issue as soon as possible. I look forward to hearing from you.

Thank you,
